You are all I ever want to

All that she said was true  
All that she said was true

Give her some space  
All that she said was true

All that she ever meant was good  
All that she meant was good

Give her some space  
All that she meant was good

How you reacted was right  
How you reacted was right  
Give her some space  
Give her some time  
All that she said was true

You are all I ever want to  
You are all I ever want to  
You are all I ever want to
