She said that the part is over  
In the morning she comes to Dover  
She always been a loner  
Nobody ever known her

Are those mysterious eyes  
That you try hard to disguise  
I knew I would find  
You'd be a very hard act to follow  
I, don't see no future in tomorrow

Though the girls are meeting  
It can't give me that feeling  
Does it take a lot of beating?  
Nothing else has meaning  
Meaning

I knew I would find  
You'd be a very hard act to follow

Love is hard to follow

Are those mysterious eyes  
That you try hard to disguise  
I knew I would find  
You'd be a very hard act to follow  
I, don't see no future in tomorrow  
Love is hard to follow  
Love is hard to follow

A very hard act to follow

A very hard act to follow  
She is, she is  
A very hard act to follow  
She is, she is  
A very hard act to follow

She is, she is  
A very hard act to follow  
She is, she is  
A very hard act to follow  
She is, she is...
