My child, it will be okay if you listen to me and do what I
say I will protect
You with the help of God And your whole life will be all
right My dearest
Daughter what's troubling you? - I no longer believe in
your ideals - Well
You're too young to think for yourself Daddy knows
best - AND DON'T YOU EVER
FORGET THAT! No! I am old enough to know what's
right RIGHT! My life is never
Going to be all right NO! I am finished listening to you
RIGHT! Leave me alone
You're wrong, I'm right You're wrong, I'm right You're
wrong, I'm right This
Is my life! You told me to go to church And you told me
to go to school You
Told me to respect my elders, most of them are fools
like you Understand I
Like to make All my decisions for myself I won't blindly
follow you Or anyone
Else NO! I am old enough to know what's right RIGHT!
My life is never going
To be all right NO! I am finished listening to you RIGHT!
You're wrong, I'm
Right You're wrong, I'm right You're wrong, I'm right
This is my life! I try
To make you understand I talk until my face is blue I
don't want to settle
Down And have a boring life like you You always try to
control me And tell me
What I'm supposed to do I'm not going to listen
Anymore to you! NO! I am old
Enough to know what's right RIGHT! My life is never
going to be all right NO!
I am finished listening to you RIGHT! You're wrong, I'm
right You're wrong,
I'm right You're wrong, I'm right This is my life!
