"Burning Bridges"

Just the other day, I heard somebody say
"Life is getting out of hand"
And I feel inclined, to take another line
Change my ways, a different plan

Burning bridges as you pass,
You find yourself alone at last
All your enemies are conquered
Is your life the one you wanted?

Now it seems so hard
Stuck in what you start
Changing course another dream
There's no turning back
It's just so hard to tack
Life is never what it seems

Burning bridges as you pass
You find yourself alone at last
All your enemies are conquered
Is your life the one you wanted?

This is your life, this is your life, this is your life, this is
your life

Tears in your eyes as you think of the lives you've
forgotten
You've lost them
Full of surprise with your wide open eyes, looking lost

Burning bridges as you pass
You find yourself alone at last
All your enemies are conquered
Is your life the one you wanted?

Burning bridges as you pass
You find yourself alone at last
All your enemies are conquered
Is your life the one you wanted?

This is your life, this is your life, this is your life, this is

your life
