Yasashii anata no kanashii shoudou
Watashi no kokoro hikigane wo hii ta

Juuden no kireta oto
Kuri kaeshi kiitawa...

Midare yuku hibi ni ai no yume dake wo
Mitsudukete ita katta no darou

Kooritsuku anata ni se wo muke
Satte yuku no ni otte otte konai ki ne
Kara ni kamotte iki wo koroshiteru
Nante buzama na sugata
Orita megami

Nande nando mo aishiteru to iu no?
Watashi wo kakotte hanasa nai tsumori ne

Douse imagoro tonaride onna ga naku
Sono kata wo daite KISU de nagasameru
Sono genin nado mitomenai!

Utsukushii watashi ni kurutte
Chuucyoshita mama tsugi he tsugi he susumu ki ne
Iji awatte temo horeta hou no make
Kono mama houtteitara
Karete chiruwa

Kooritsuku anata ni se wo muke
Satte yuku no ni otte otte konai ki ne
Kara ni kamotte iki wo koroshiteru
Nante buzama na sugata
Orita megami

Utsukushii watashi ni kurutte
Chuucyoshita mama tsugi he tsugi he susumu ki ne
Iji awatte temo horeta hou no make
Kono mama houtteitara
Karete chiruwa
