What are you waiting for Jamie?
Who's that monster underneath your bed
Give it a name
Get out of your head
I got two tickets to your show
Don't wanna go solo

CHORUS:

Last time I checked
The storm had moved West
Last time I looked
You were still soaking wet
I will open up a window and let in some light
Hang your heart out to dry

Who are you running from Jamie?
Who's that demon dancing in your eyes
Tell me a name or tell me goodbye
I got good reason to leave
If I can't believe you

CHORUS

Bridge

DOUBLE CHORUS:

Last time I checked
The storm had moved West
Last time I looked
You were still soaking wet
I will open up window and let in some light

Before we drown
I need some advice
Before we die
I need your sacrifice
I will open up a window and let in some light

Hang your heart out to dry
Hang your heart out
Hang your heart out

What are you waiting for Jamie?
