Second hand girlfriend  
Garage sale special  
Good at what she does  
And what she does is do the one  
That rocks her world

A Midwest apple  
Fallen from a tree  
Load it up with honey  
Give it up for money  
She's another drama queen

She hides the scar across her face  
But Daddy's memory has a place  
She threw his ashes out to sea

Gonna write a letter send it home  
Joei hit the big time on her own  
She's in L.A. weekly  
She's gotta 1-900 phone  
Oh yeah, Joei hit he big time on her own

Somebody stole the baggage  
Off the back of her truck  
Joei doesn't mind  
Says it's just a sign  
We oughta lighten up

Her mama left when she was two  
Says ya gotta do what ya gotta do  
When the damage is already done

Gonna write a letter send it home  
Joei hit the big time on her own  
She just got a billboard  
Are they real or silicone  
Don't care, 'cause Joei hit the big time on her own

(instrumental)

Gonna write a letter send it home

Joei hit the big time on her own  
Gonna cast a shadow on a glorified headstone  
That reads "Joei hit the big time on her own..."
