Grim confections
Pull string meat
Only playthings
For God to eat
Â
Grim confections
Pull string meat
Crimson playthings
Bittersweet
Â
What's wrong inside the toy factory?
A sinister glow lights up the sky
Â
The stuffed animals became cannibals
(I know it sounds absurd but they weren't made of
stuffing...)
Â
Funny how demented bunnies are all the rage
Â
Grim Confections
Wind up treat
Morbid playthings
For God to eat
Â
Grim confections
Bittersweet
Only playthings
Only meat
Â
"There's a land that I heard of..."
