It may be part of the plan  
That you'll take part of me  
And I will wake up fine  
I won't remember a thing

And I wonder while you sleep  
Is it all a state of mind  
Is falling in love with you  
Just a matter of time  
Or a matter of

Time Falling Down  
Time Falling Down  
Time Falling Down  
On me

May be the way of the world  
To cheat us in this game  
But you can start all over again  
You won't remember my name

I know never again  
Is just your state of mind  
Well what if forever  
Wasn't a matter of time  
But just a matter of

Time Falling Down  
Time Falling Down  
Time Falling Down  
On you

It only takes a moment  
To kill what we believe  
It only took a smile  
To bring me to my knees

It may be part of the plan  
That you'll take part of me  
And I will wake up fine  
And I won't feel a thing...

It's just a matter of  
Time Falling Down  
Time Falling Down  
Time Falling Down on me...
