Listen to our theory of this crazy fad
And we hope our story won't be sad

So if you want to mambo feel the Cuban beat
Just let the rhythm guide you with your feet
It doesn't take the know how it takes to build a nest
Just swing along and we'll supply the rest

You'll need no education to dance this great sensation
Just wait til' the instantiation, the moment you feel the
beat
So, if and when you ever feel along these lines
Just come and dance to the Mambo of the times!

Mambo de Fino!
