M.C.:

I know what you're thinking
You wonder why I chose her
Out of all the ladies in the world
That's just a first impression
What good's a first impression
If you knew her like I do,
It would change your point of view-

If you could see her
If you could see her thru my eyes,
You wouldn't wonder at all.
If you could see her thru my eyes,
I guarantee you would fall
Like I did
When we're in public together,
I hear society moan,
But if they could see her thru my eyes,
Maybe they'd leave us alone.

How can I speak of her virtues?
I don't know where to begin.
She's clever, she's smart, she reads music,
She doesn't smoke or drink gin.
(Like I do)
Yet when we're walking together,
They sneer if I'm holding her hand,
But if they could see her thru my eyes,
Maybe they'd all understand...

Why don't they leave us alone?

[Spoken]

Ladies and Gentlemen, I ask you,
Is there a crime to fall in love?
Can one ever choose where our hearts lead us?
All we as is "Ein bißchen Verständnis", a little
understanding!

[Sung]

Oh, I understand your objection,

I grant my problem's not small;
But if you could see her thru my eyes,
She wouldn't look Jewish at all!
