Hey good lookin', why the frown?
You always look better when its upside down
You say you've got nowhere that you're going to
Can I go nowhere with you?

I took the Dartmouth ferry into the town
Spent my pennies bummin' around
Trying to find a way to tear a strip off these blues
Can I go nowhere with you?

Paid the cover, saw the show
Sat at the bar where the drinks did flow
Didn't see a single face that I knew
'Til I went nowhere with you

Can I tag along tonight?
We'll kill some time, it looks like you might
Need a little company
I'm so cheap, I might as well be free

Hey good lookin', why the frown
You always look better when its upside down
You say you've got nowhere that you're going to
Can I go nowhere with you?

Here we go!
Na, na na, na na na
Na, na na, na na na
Na, na na, na na na
Can I go nowhere with you? again
Na, na na, na na na
Na, na na, na na na
Na, na na, na na na
Can I go nowhere with you?

Can I tag along tonight?
We'll kill some time, it looks like you might
Need a little company
I'm so cheap, I might as well be free
Whoa, whoa, whoa, whoa

If you get tired and want to go home
I'm still wired, I can go it alone
Same time next week at a quarter past ten
And we can go nowhere again

If you show up then, then you know I will too
Can I go nowhere withâ€¦

Hey good lookin', why the frown?
You always look better when its upside down
You say you've got nowhere that you're going to
Can I go nowhere with you?

Na, na na, na na na (Hey good lookin')
Na, na na, na na na (Hey, hey good lookin')
Na, na na, na na na (You've got nowhere that you're
going to)
Can I go nowhere with you
Can I go nowhere with you
Can I go nowhere with you (Can I go, can I, can I go)
(Nowhere with you)
Can I go nowhere with you (Can I go)
(Nowhere with you)
