How does it feel
How does it feel, on top of the world
A little bit lonely
How does it feel, on top of the world without
Your one and only love

Life, you live and learn
Love, you court and spurn
How does it feel
Days, you twist and turn
Nights, you spark and burn
How does it feel

Run to the rock
Dance down the aisle
Trip down the garden path
Moving with the shakers
The double deal breakers
Speed towards the aftermath

Life, you live and learn
Love, you court and spurn
How does it feel
Days, you twist and turn
Nights, you spark and burn
How does it feel

How does it feel
How does it feel, on top of the world
A little bit lonely
How does it feel, on top of the world without
Your one and only love
