Everybody gather 'round
The Bronx Bombers are back in town
The Bronx Bombers are back in town
So everybody gather 'round

It's good to know that the boys are back
They're the best and that's a fact
They're the best and that's a fact
It's good to know that the boys are back

Out there on the road
Playin' hard ball proud and bold
Town to town and coast to coast
Playin' hard ball proud and bold

All across the USA
They come out to watch the Bombers play
They take the field and they blow 'em away
All across the USA
