For God and country you say I should die -bullshit!  
For greed and profit is the reason why -fuck you!  
Your belief's are crushing human rights -bullshit!  
I decide for myself what is right -fuck you!

You say the problem's in my head,  
You say the problem's in my head,  
You say the problem's in my head,  
You say the problem's in my head -fuck you!

The laws you make, they don't apply to you -bullshit!  
Why is liberty for the chosen few? -fuck you!  
You say the counterculture is to blame -bullshit!  
It's your christian-right wing platform that's insane -  
fuck you!

You say the problem's in my head,  
You say the problem's in my head,  
You say the problem's in my head,  
You say the problem's in my head -fuck you!
