It's too fast, it's too slow  
It's too country, too rock and roll  
It's too happy, to sad, to short or it's way too long  
Yeah, and it's too bad they don't just

Play the song, play the song  
Turn it up loud enough, we all can sing along  
And let the people decide if the music is right or it's  
wrong  
Man, it's a shame, instead of playing the game  
Play the song, play the song

It's too Garth, too George Strait  
Too right down the center, too left of the plate  
The hook's too weak  
Or the subject matter's way too strong, whatever  
Yeah, and it's too bad they don't just

Play the song, play the song  
Turn it up loud enough, we all can sing along  
And let the people decide if the music is right or it's  
wrong  
Man, it's a shame, instead of playing the game  
Play the song, play the song

And it's too bad, if you ask me  
Our song's gotta be so darn P.C.  
So damn P.C.

Play the song, play the song  
Turn it up loud enough, we all can sing along  
And let the people decide if the music is right or it's  
wrong  
Man, it's a shame, instead of playing the game  
Play the song, play the song  
Play the song, play the song  
Play the song, play the song
