My life, my heart, my heart, my soul.
My air, my strength, the one I know.
I cant let go, so please remain,
My better half, my weight, my chain?
I need your touch to ease my mind.
I made mistakes, I cant rewind.
I thought I told you times before,
You know, youre a beautiful soul.

Oooh-oh

Every time I look into your eyes I get a feeling in my
heart,
Id told you from the start?
Id be dancing with you, you, you.
Ill be dancing with you, you, you.
Your soul is beautiful, (your soul is beautiful) x4
Beautiful

Oooh-oh

My heart, my life, my life, my truth,
My sun, my world, my star, is you.
The one I need, to feel, to breathe.
My sin, my show, my sky, my sea.
It came to save me just in time.
Stole my heart, the perfect crime.
I thought I told you times before,
You know,
Youre a beautiful soul. Yeah

Every time I look into your eyes I get a feeling in my
heart,
I couldve told you from the start?
Id be dancing with you, you, you.
Ill be dancing with you, you, you.
Your soul is beautiful, (your soul is beautiful) x4
Beautiful

Hey!

Uh, ooh-oh, yeah,

Your soul is beautiful
Ooh-oh, uh, Hey!
Uh
Every time I look into your eyes I get a feeling in my
heart,
I couldve told you from the start?
Id be dancing with you, you, you.
Ill be dancing with you, you, you.
Your soul is beautiful x4
Beautiful
