(Verse 1)

Can you break your shadow
Will you drown in your blues
Can you change when it matters
Will you find a way through?

(Pre Chorus)

When you break right down, lose your ground
Look to the sky as your falling down
So you wait for a better day
Yeah! Cause it gets crazy! yeah it gets
crazy!!

(Chorus)

That's right, we're all together now
This life can only get better now
There's no point in hangin on to yesterday
Cause it gets crazy! yeah it gets crazy, this life
we live

(Verse 2)

Did they take your silver
Did they take your gold
Did they give you anything in exchange for your soul?

(Pre Chorus 2)

When you break right down, lose your ground
Look to the sky as your falling down
So you wait for a better day
Yeah! Cause it gets crazy! yeah it gets
crazy!!
