I wonder if I'm too young for this
is this my only chance to hit or miss?
Contemplating complicated situations
I may regret?
She steps into the light
I stop and stare.
The mood has strangely changed; I can feel it in the air
Infatuation
strong temptation
love is waiting
everywhere

(Chorus)

Oh, and finally I know right where it needs to be
Yeah somewhere in between
somewhere in between
Oh, and I finally know right where it needs to be
Yeah somewhere in between
yeah somewhere in between
you and me!

I don't wanna be broke, fighting just to eat
but I don't want to be the joke of reality TV
See I'm just driven to make a living with what I'm given
and live peacefully
Left or right
right or wrong
tell me where you stand
Agree to disagree
can I hear an amen
Contradicting controversial conversation
where
nobody wins

Oh, and finally I know right where it needs to be
Yeah somewhere in between
yeah somewhere in between
Oh, and I finally know right where it needs to be
Yeah somewhere in between
yeah somewhere in between
you and me!

(Bridge)

Oh, and finally I know right where it needs to be
Yeah somewhere in between
somewhere in between
Oh, and I finally know right where it needs to be
Yeah somewhere in between
yeah somewhere in between
you and me!
