Well you're always in my ears
tellin' me what 'ya
wanna hear
well, sorry buddy, I ain't down for that
But I'll tell 'ya what I'm gonna do
gonna listen to
where it's true
'cause that's the only thing that's gonna get me
through

(Chorus)

Aw, so go and take your number
and I'll call
when I'm ready for you.
Go and take your number and I will call when I'm ready
for you

Well I'm not gonna be the man that got shot by mean
old Dan
No you won't find me down in a corner
But I'll tell you what I'm gonna do
gonna listen to
where it's true
'Cause that's the only thing that's gonna get me
through

Aw, so go and take your number
and I'll call
when I'm ready for you.
Go and take your number and I will call when I'm ready
for you

(Transition)

Well that's the way it goes and there's nothing you can
do
so go and take your number
and I'll call when I'm ready for you

(Lead)

said go and take your number, there's nothing
you can do
Well don't you think you're the only one
boy take
a look around you
said go and take your number, there's nothing
you can do
Well don't you think you're the only one
boy take
a look around you

Go and take your number
and I'll call when I'm

ready for you.

Go and take your number and I will call when I'm ready
for you
