What more can I say  
What more can I do  
I'm livin' a lie when I say I'm over you  
Still fallin' apart, I'm broken of heart  
Can make a new start after all that we've been through

I can't let go  
I don't know why  
None knows I've tried  
Still I'm broken inside

Here we are (here we are), once again (once again)  
How can these tears still be rollin' down my face again  
Here we are (here we are), once again (once again)  
How can these tears still be rollin' down my face again  
I can't believe  
I'm still crying, I'm I'm still crying over you  
I'm still crying, I'm I'm still crying over you  
I'm still crying, I'm I'm still crying over you  
I'm still crying, I'm I'm still crying over you..

Don't tell me you can  
Don't say you'll be there  
We've been here before  
I can't take it anymore  
I know when you're lying  
without even trying  
You're back in my life  
And I'm back against the wall

I can't let go  
I don't know why  
None knows I've tried  
Still I'm broken inside

Here we are (here we are), once again (once again)  
How can these tears still be rollin' down my face again  
Here we are (here we are), once again (once again)  
How can these tears still be rollin' down my face again  
I can't believe  
I'm still crying, I'm I'm still crying over you

I'm still crying, I'm I'm still crying over you  
I'm still crying, I'm I'm still crying over you

I'm still crying, I'm I'm still crying over you..

And I don't know if I could carry on without you, hey  
(hey)  
And I don't know if I could carry on without you, hey  
(hey)

Here we are (here we are), once again (once again)  
How can these tears still be rollin' down my face again  
Here we are (here we are), once again (once again)  
How can these tears still be rollin' down my face again  
I can't believe  
I'm still crying, I'm I'm still crying over you  
I'm still crying, I'm I'm still crying over you  
I'm still crying, I'm I'm still crying over you  
I'm still crying, I'm I'm still crying over you..
