Say what you want
You're not alone
I'm not gonna leave you tonight
So turn off the world
And let it go
You don't have to tell me I know
A part of me wants to see you smile again
A part of me can't deny

That I
I need a sign
There's something for me inside
That's sparkling for you and I
So I can't give my heart away
I wish that I
Could see it in your eyes
A secret _____
A chance that you could be mine
Don't you deny
That if I hold you
I won't let go

And say what you want
When we're alone
You don't have to hide behind that masquerade
Is this the time to let you alone
Should I make a fool of myself
Don't wanna let you sleep away from me
I don't wanna cross that line

That I
I need a sign
There's something for me inside
That's sparkling for you and I
So I can't give my heart away
I wish that I
Could see it in your eyes
A secret _____
A chance that you could be mine
Don't you deny
That if I hold you
I won't let go

And I don't care if this _____
No no no
And I can't let another day go by
I say what's on my mind

That I
I need a sign
There's something for me inside
That's sparkling for you and I
So I can't give my heart away
I wish that I
Could see it in your eyes
A secret _____
A chance that you could be mine
Don't you deny
That if I hold you
I won't let go
If I hold you
I won't let go
If I hold you
I won't let go
