I don't want to appear too forward
But then again I wanna say so much
I don't wanna scare him off
'Cause we're off to such a good start
Such a good start

So I don't think I'll even leave a message
He's had my number all along
And if he hasn't got the message by now
As to what this girl wants
What my heart wants

I've been known to speak my mind
But with him I melt
Forget every line
It's hard to be a girl
In a young man's world

I can't think straight, I'm confused
This dress don't go with these shoes
What's wrong with me

Am I where he wants to be
Should I go to work or go back to bed
Or pull the covers over my head
And scream

I've been known to speak my mind
But with him I melt
Forget every line
It's hard to be a girl
In a young man's world

Oh it's hard to be a girl
In a young man's world
