Daddy was clappin', Mama was cryin'  
The Pentecost preacher was saying amen  
Went down lost and came up found  
Eleven years old, I was born again  
Oh I, I found the answer in the river that day  
Oh I, I saw the light, I saw the way

Falling back into that muddy water  
Arms stretched out like angel wings  
Everything's clear in that muddy water  
This Kentucky daughter got her heart washed clean  
In muddy water

Little girl's gone, got a big girl's life  
And big girls have touch calls to make  
Buy or rent, career or kids, is he really the one  
Which fork to take  
Sometimes it's all too much, I just can't see  
Oh I, I know the place I need to be

Falling back into that muddy water  
Arms stretched out like angel wings  
Everything's clear in that muddy water  
This Kentucky daughter got her heart washed clean  
In muddy water  
Oh muddy water, oh muddy water  
Wash over me, set me free

Falling back into that muddy water  
Arms stretched out like angel wings  
Everything's clear in that muddy water  
This Kentucky daughter got her heart washed clean  
In muddy water

Falling back into that muddy water  
Arms stretched out like angel wings  
Everything's clear in that muddy water  
This Kentucky daughter got her heart washed clean  
In muddy water

In muddy water

That muddy water  
Wash over me  
Set me free
