If I drink too much
If I live it up
If you hear me laughin'
From across the room
That's just me baby
Gettin' over you

If I'm out at night
With my jeans too tight
Lookin' hot as hell
In these high heel shoes
Oh that's just me baby
Gettin' over you

That's just me movin' on
What'd you think I'd just sit home
If I look outta place
Without those tears runnin' down my face
If you feel like it's a little too soon
I'm just doin' what I have to do
That's just me baby
Gettin' over you
If a stranger smiles
And it's been a while
If I lead him on and not follow through
That's just me babe
Gettin' over you

That's just me movin' on
What'd you think I'd just sit home
If I look outta place
Without those tears runnin' down my face
If you feel like it's a little too soon
I'm just doin' what I have to do
That's just me baby
Gettin' over you

Yea that's just me baby
Gettin' over you
