She said that the part is over
In the morning she comes to Dover
She always been a loner
Nobody ever known her

Are those mysterious eyes
That you try hard to disguise?
I knew I would find
You'd be a very hard act to follow
I don't see no future in tomorrow

Though the girls are meeting
It can't give me that feeling
Does it take a lot of beating?
Nothing else has meaning
Meaning

Are those mysterious eyes
That you try hard to disguise?
I knew I would find
You'd be a very hard act to follow
I, don't see no future in tomorrow
Love is hard to follow
Love is hard to follow

Are those mysterious eyes
That you try hard to disguise?
I knew I would find
You'd be a very hard act to follow
I, don't see no future in tomorrow
Love is hard to follow
Love is hard to follow
It's such a very hard act to follow

A very hard act to follow
She is, she is
A very hard act to follow
She is, she is

A very hard act to follow
She is, she is
A very hard act to follow

She is, she is

A very hard act to follow

She is, she is

A very hard act to follow

She is, she is
