I walk along the city streets  
You used to walk along with me,  
And every step I take reminds me  
Of just how we used to be.

Oh, how can I forget you, girl  
When there is always something there to remind me  
Always something there to remind me

When shadows fall, I pass a small cafe  
Where we would dance at night  
And I can't help recalling how it  
Felt to kiss and hold you tight

Oh, how can I forget you, girl  
When there is always something there to remind me  
Always something there to remind me

I was born to love you, and I will never be free

You'll always be a part of me

If you should find you miss the sweet  
And tender love we used to share  
Just go back to the places where we used to go,  
And I'll be there

Oh, how can I forget you, girl  
When there is always something there to remind me  
Always something there to remind me

I was born to love you, and I will never be free  
You'll always be a part of me

'Cause there is always something there to remind me

Always something there to remind me (repeat until  
fade)
