She was a disbeliever, no one could ever lead her
She made the rules and you're the pawn in the game
She tried so hard to make it, she even tried to fake it
She said, "It's normal but to me it's insane"

She might have been unlucky but I think it must have
been
Fortune and fame shot down in flames
Isn't it strange how fortunes can change?
It's one slip away

You give your life to please her she's got the world
beneath her
She takes the line of most resistance, she said
She never lied about it until she died without it
If you could have seen her, then I'm sure you'd have
said

She might have been unlucky but I think it must have
been
Fortune and fame shot down in flames
Isn't it strange how fortunes can change?
It's one slip away

She might have been unlucky but I think it must have
been
Fortune and fame shot down in flames
Isn't it strange how fortunes can change?
It's one slip away

Fortune and fame shot down in flames
Isn't it strange?
Fortunes can change
It's one slip away

Fortune and fame shot down in flames
Isn't it strange?
Fortunes can change
It's one slip away

Fortune and fame shot down in flames
Isn't it strange?

Fortunes can change
It's one slip away
