I don't know why I'm feeling lost
It's only love
I give you everything I've got
It's not enough

Shutting my eyes I find
Opening up my mind
What is this sound I'm hearing

Voices in my head
Telling me beware
I hear voices in my head
Everywhere

Whenever we're together
It breaks my heart
I've got a fantasy of which
You are a part

Shutting my eyes I find
Opening up my mind
What is this sound I'm hearing

Voices in my head
Telling me beware
I hear voices in my head
Everywhere

Shutting my eyes I find
Opening up my mind
What is this sound I'm hearing

Voices in my head
Telling me beware
I hear voices in my head
Everywhere

Voices in my head
Voices in my head
Voices in my head
