Outrageous illusion
Solution for your needs
Desire requires
Elevation if u please
Sensation overload
Brings me to my knees
Absolute freedom
I choose whomever I please
DO you know me?

Expectations rising
Climbing
I'm outta here
I see u
You want me
No need to fear
If by chance you want to dance
Take a number please
I feel you
I want it
So do you know?
Do u know do you know me?

Do you know me
Do you like what you see
Would you have a clue
Would you know what to do
IF you passed me by
One day on the street
Would you look at me twice
Do You know me?

Do you know me?
