Give it up ( for the girl)  
I am just a girl  
Or So they say  
But I wouldn't  
Want it any other way  
They say I cant  
Rock  
But I gotta roll  
With the flow  
If I want to play a tall

So come on  
Give it up  
Give it up all night  
Give it up  
Give it up all right  
Just give it up give it up  
So come on  
Give it up  
Give it up all night  
Give it up  
Give it up all right  
Just give it up give it up  
Give it up for the girl  
Give it up for the girl

I am not afraid  
To take some chances  
And I wouldn't do it any other way  
I am not alone  
But among friends  
Just starting and  
Planning to stay  
I am not afraid  
I can reach the highest stars  
I will never be defeated  
I am lam  
One among us all  
Give it up give it up all night  
Give it up give it up all right  
Give it up for the girl  
Who's one among us all

Give it up for the girl  
Give it up for the  
Give it up for the  
Give it up for the girl  
Just give it up  
Give it up  
Give it up all night  
Give it up  
Give it up all right  
Just give it up give it up  
Give it up for the girl
