From the moment
I laid eyes on you
Your grip was strong
On and on I wanted to touch you

And the moment
You looked back at me
I could see you and me could be
Tight lil shorts a charming smile
Oh the way you move just
Drives me wild

Oh I'll reminisce about our first kiss
Still dancing all the while
Oh baby I want you
And I know that others want you too

And I'm sure you'll know
Just how to work your show
So tease me tease me work me to a frenzy with
Your

Hot lil Body
Hot lil Body
On and on and on and on
I could watch you all night long
Hot lil Body
Hot lil Body
Do your thing
Be my king
Let me be your baby

Now were past hello
And I wanna know
If I should I stay
or I go
Should I move on
oh you're a master of the games we play
Will I be left on the wall
Or part of the game

Ooooooh don't you know I want you

Work that thing

Oh baby I want you
And I know that others want you too

And I'm sure you'll know
Just how to work your show
So tease me tease me work me to a frenzy with
Your

Hot lil Body
Hot lil Body
On and on and on and on
I could watch you all night long
Hot lil Body
Hot lil Body
Do your thing
Be my king
Let me be your baby
Hot lil body
I cant wait
