Keep it real  
Keep it real  
Keep it real  
That's how I feel  
Keep it real  
Keep it real

We'll start today  
So they say  
To make a change  
and get you on your way  
Rules of the game  
Always change  
Do it like this and that  
And you can play

I don't need another thing  
To bring me down  
So I'll stay the way I am

If you you please  
Dont distress about my dress  
I just came to get down

Keep it real  
Keep it real  
Keep it real  
That's how I feel  
Keep it real  
Keep it real

Who wrote the book  
On how I should look  
My papa said some way  
Somehow they'll understand

And if they wont  
Or they don't  
Don't worry go  
Along with your own plan  
just keep it real.
