I feel your love all around me
Even when your not here
Casue I got enough loving to last for always
I never fear
Caressing your body from a distance
I feel hot wet
Cold sweat
Piercing eyes I wont forget
Cause you give me fever
A fire that burns within

We got a love connection baby
A bond so strong it
Will never die
We got a love connection baby baby an everlasting
Everloving tie
We got a love connection true devotion
Object of my emotion
We got a love connection baby
Wont forget no regrets cause
I love you.

Don't need a phone to hear you call me
You got a line to my heart
Whenever I need a little loving baby
you're never far
extcasy comes to me
like the trees full of need
you 'll always be the one
cause you give me fever
a fire that burns within

We got a love connection baby
A bond so strong it
Will never die
We got a love connection baby baby an everlasting
Everloving tie
We got a love connection true devotion
Object of my emotion
We got a love connection baby
Wont forget no regrets cause
I love you.
