I'm gonna keep it simple
So y'all can understand
The times they are a changing
Turning back to bad
Well I aint the one to lead you
Cause I'm not
That type of girl
And I'm not trying to please ya

Well if I could I wouldn't couldn't
Shouldn't its just a warning
You got to pray
Got to pray
Oh Lord
You gotta pray baby
You got to pray
Got to pray
Get on your knees
If you please
Pray

No I'm sick of your crying and whining
That stuff don't do u no good
You know you got to seize the moment
And ask for what you
Need oh now
But I aint the one to lead ya
Cause Im not that type of girl
And I'm not trying to please ya

Well if I could I wouldn't couldn't
Shouldn't its just a warning
You got to pray
Got to pray
Oh Lord
You gotta pray baby
You got to pray
Got to pray
Get on your knees
If you please
Pray
