Sometimes I think "why do
I get up from the bed?"
You know the showers cold again
But I'm without a care.

Just as I reach to get a bowl of
Cheerios
I smell the milk and
Find that its old

Sha Ba Da Bu Doo (go with the flow)
I'll keep on moving
Within my special groove
You could come along
But only if you choose

Don't need to worry
If you just go with the flow
What the end will be
Nobody knows

Take it easy
Oh don't you worry tonight
Take me higher
High

Sha Ba Da Bu Doo (go with the flow)

Go with the flow
Go with the flow
Go with the flow

I got the feeling
you got something
I need to know
Don't be afraid to let your essence show

Cant tellif tomomorrow
Will be better than today
But we'll be allright
If we just play the game

Sha Ba Da Bu Doo (go with the flow)

Take it easy
Oh don't you worry tonight
Take me higher
High

Sha Ba Da Bu Doo (go with the flow)
