Sweet little honey darling  
I need a little lovin' baby  
Sweet little honey darling  
Sweet little lovin' baby

I want you  
And I know you want me too  
Girl its time for you to be mine  
I'm so into you  
Lets take a ship  
And fly a trip into our hearts  
Come get your ticket

Oh wont you  
Step into my world  
You don't ever have to come down  
Step into my world  
I'll make your love come down  
Step into my world

Girl it's time  
For love to take it's place  
We're just one kiss  
Away from bliss  
Girl come get to this  
I wanna take a ship  
And fly a trip into your heart  
Yes I do girl so come on  
Let me show you

Oh wont you  
Step into my world  
You don't ever have to come down  
Step into my world  
I'll make your love come down  
Step into my world

Tell me tell me baby  
Tell me me do we have a chance  
It's hard to fight the feeling  
You don't know where you stand  
All our days could be filled

With love and happiness  
And all that it would take  
Is a sweet and tender kiss now baby.
