What kind of fool am I
Did you think
That I wouldn't see
How you treated me so unkind
This is not the way it was to be
When you said you loved me
Forever
The way you told me
When you said we'd be together

What kind of fool am I
To keep believing
All your stories and your
Lies
Now I know why love is blind
Oh sometimes
Sometimes I say I'll leave you all alone
But by the time I look in your eyes
That feeling is all but gone

What kind of fool
What kind of fool am I
Oh to know you treat me so bad
But I can't go
I gotta stay
I don't know but I want you
My friends tell me
I don't know who you are
Baby
Better off without you
You're the cloud over my star yeah
Maybe in my heart
I know these things
Are true
But baby I don't want to
Fly without you

Oh, no no no
What kind of fool
What kind of fool am I
Tell me what kind of fool am I baby
What kind of fool am I

Oh-the lord knows
That I try
To work it out without you
So I guess I'm a fool
I'm a fool for you
Guess I played the fool for you
Guess I played the fool for ya.
I played the fool for love
Tell me what kind of fool am I.
