

Joi Cardwell "What's Freedom?"

Visit "[What's Freedom?](#)" on MotoLyrics.com

It's the truth that I seek
What's living
What is freedom

People pushing their morality
Trying to mold you with
Their words thought and speech
I'm not feeling that reality
Day to day it's the truth that I seek
Now I won't stop you from doing your
Own thing
Everybody's got to find their own way
Like a butterfly floating to the sky I'm reaching for
The sun's rays
Now tell me

What's living if you can't be free?
What is freedom if I can't be me?
What's living if I can't be free?
What is freedom if I can't be me?

What's Living
What is Freedom
IF I can't be me?

People have their own
Agenda see
Trying to force you
From the road that leads to being
Just because there's a majority
Doesn't mean
Your choice is the right thing for me
Now I can't tell you
I got my own way
And that means the most to me
I'm Like a butterfly floating in the sky
I'm reaching for my own dreams
NOW tell me
What's living if you can't be free?
What is freedom if I can't be me?
What's living if I can't be free?
What is freedom if I can't be me?

What's living if you cant be free?
What is freedom if I can't be me?
What's living if i cant be free?
What is freedom if I can't be me?

What is freedom?
What is freedom?

What is living
What is freedom?

Freedom

I'm free to be whatever I need to be
I want to live live live
Oh I gotta live
What does freedom mean?

Don't tell me what I gotta be!
