then when you see my car
you gon wanna go
and do some things you never did before
now dance with me till you cant dance no more

(CHORUS)

ESTELLE:

now what are you waiting for
cant a hot girl git fresh anymore
do girls dont wear dresses anymore
and bubble in the club like yes, yes y'all.
dont come around with your lips so stressed
(ohh nooo) i will not be stressed
out on the floor with my folks like yeahhhh
hands in the air like we dont careeee

(CHORUS)
