Think about it  
there must be higher love  
Down in the heart or hidden in the stars above  
Without it  
Life is wasted time  
Look inside you're heart and I'll look inside of mine

Things look so bad everywhere  
In this whole world what is fair?  
We walk the line and we try to see  
Fallen behind what could be?

Bring me a higher love  
Bring me a higher love  
Bring me a higher love  
Where's that higher love I keep thinking of?

The worlds turning  
and we're just hanging on  
Facing out fear  
standing out there alone  
Yearning, and its real to me  
Must be someone  
who's feeling for me

Things look so bad everywhere  
In this whole world what is fair?  
We walk the line and we try to see  
Fallen behind what could be?

Bring me a higher love  
Bring me a higher love  
Bring me a higher love  
I've got higher love, higher love

I will wait, forever  
I'm not too late for bed  
Until then I'll sing my song  
To spend the night alone

Bring me a higher love  
Bring me a higher love

Bring me a higher love  
Where's that higher love I've been thinking of?

Bring me a higher love  
Bring me a higher love  
Bring me a higher love  
Where's that higher love I keep thinking of

Bring me a higher love (Bring me a higher love)  
Bring me a higher love (Whooh!)  
Bring me a higher love (Bring me a higher love)  
Bring me a higher love

Bring me a higher love  
Bring me a higher love  
Bring me a higher love
