They come and go
But they don't know
That you are my beautiful
I try to come
Closer with you
But they all say
We won't make it through

But I'll be there forever
You'll will see that it's better
All our hopes and our dreams will come true
I will not disappoint you
I will be right there for you
Til the end, the end of time
Please be mine
Ohhhh

I'm in and out
Of love with you
Trying to find
It's it's really true
Na na na na
How can I prove my love
If they all think I'm not good enough

But I'll be there forever
You'll will see that it's better
All our hopes and our dreams will come true
I will not disappoint you
I will be right there for you
Til the end, the end of time
Please be mine
Yeah, ohhhhhhhh

Can't stop the rain from falling
Can't stop my heart from calling you
It's calling you

Can't stop the rain from falling
Can't stop my heart from calling you
It's calling you

Can't stop the rain from falling
Can't stop my heart from calling you
It's calling you

But I'll be there forever
You'll see that it's better (much better)
All our hopes and our dreams will come true (will come true)
I will not disappoint you(ohh no)
I will be right there for you
Til the end, the end of time
Please be mine

Ohhhhhh ohhhh
Ohhhh ohhhh

Can't stop the rain from falling
Can't stop my heart from calling you
It's calling you

Can't stop the rain from falling
Can't stop my heart from calling you
It's calling you

Can't stop the rain from falling
Can't stop my heart from calling you
It's calling you
