Wrong again
Father, I hate to tell you this
You taught me how to hit the mark
And once again I missed

Touch the fire
You always said that I'd get burned
Why is it so hard
To remember all the lessons I have learned

[Chorus]
How can you look at me that way
When I have failed so many times
Showing me love, you tell the world
This child is mine
How can you walk that extra mile
I see forgiveness in your smile
So sure you'd reject me
Wrong again

Once again
Lord, I have wandered from your path
Thought I knew a better way
Coming short of what you've asked
Standing here
I don't deserve a second chance
And I can't conceal
The shame I feel
It's more than I can stand

[Chorus]
How can you look at me that way
When I have failed so many times
Showing me love, you tell the world
This child is mine
How can you walk that extra mile
I see forgiveness in your smile
So sure you'd desert me
Wrong again

When I look into your face
And see the power of your grace

I find it so hard to believe
Forgiveness that your showing me
I see the answer in your eyes
Love and mercy realized
And finally your truth has set me free

[Chorus]

How can you look at me that way
When I have failed so many times
Showing me love, you tell the world
This child is mine
How can you walk that extra mile
I see forgiveness in your smile

I thought you would scold me
Instead you just hold me
Thought you would judge me
Instead you just love me
So sure you'd reject me
Wrong again
