This was a triumph  
I'm making a note here; "Huge success"

It's hard to overstate  
my satisfaction

Aperture Science:  
We do what we must  
because we can

For the good of all of us  
Except the ones who are dead

But there's no sense crying  
over every mistake  
You just keep on trying  
till you run out of cake  
And the science gets done  
And you make a neat gun  
for the people who are  
still alive

I'm not even angry  
I'm being so sincere right now  
Even though you broke my heart,  
and killed me

And tore me to pieces  
And threw every piece into a fire  
As they burned it hurt because  
I was so happy for you

Now, these points of data  
make a beautiful line  
And we're out of beta  
We're releasing on time  
So I'm GLaD I got burned  
Think of all the things we learned-  
for the people who are  
still alive

Go ahead and leave me

I think I'd prefer to stay inside  
Maybe you'll find someone else  
to help you?  
Maybe Black Mesa?  
That was a joke \*Haha - Fat Chance\*

Anyway this cake is great  
It's so delicious and moist

Look at me: still talking  
when there's science to do  
When I look out there,  
it makes me GLaD I'm not you

I've experiments to run  
There is research to be done  
On the people who are  
still alive  
And believe me I am  
still alive  
I'm doing science and I'm  
still alive  
I feel fantastic and I'm  
still alive  
While you're dying I'll be  
still alive  
And when you're dead I will be  
still alive

Still alive
