Chorus: It could have been another way but im
standing here to testify today
Out of the snare surely I escaped ohhh it could have
been another way
1ST Leader: Where would I be without God on my side?
2nd leader: He covered me by his grace I am alive
Together: There was a plan, design to take my life
Together: But got broke the scam im praising I
survived
Oh yes it could have been another way
Chorus: It could have been another way but im
standing here to testify today

Out of the snare surely I escaped ohhh it could have
been another way
MUSIC BREAK(ADLIB)
CHOIR: Still here still praise could have been another
way(repeat 8x)
Ohh it could have been another way
