I am just one praise from my breakthrough I'm just one
praise away from my blessing So I must reach down
inside to the depths of my soul and bring forth a right
now praise thats already in me.

You are just a praise from your breakthrough just a
praise away from your blessing if you just reach down
inside to the depths of your soul and bring forthha
right now and praise that's already in you..um.

For its my praise aww aww aww..that produces fresh oil
fressssh oil fresh oil
and its the oil of the anointing that destroys every
yoke
sooo I'lljust reach down inside to the depths of my soul
and bring forthhhhhhh a right now and praaaise

Praise a right now praise (3x)
Praise a right now praise call it forth...praise...
