There's a little truth in  
every lie you tell me  
A little good in all the bad  
you do....yesss  
So instead of running away  
Why don't you listen  
when I say  
All I want is just a little you

I've been wanting you to say  
the words, I love you  
A little love is gonna make  
all my dreams come true...ohhh...  
So instead of running away  
Why don't you listen to me  
when I say  
All I want is just a little you

Ooh, there's nothing in this  
world I couldn't do  
If you would only say  
you love me true  
'Cause, baby, all I want is  
a little you  
Through the day and through  
the nighttime too  
Just a little you.....

There's a little truth in every  
little lie that you tell me  
A little good in all the bad  
you do, yes  
Instead of running away  
Why don't you listen to me  
when I say  
That all I want is just a little you  
Ohhhh, child,  
I said all I want  
is just a little you.....
