"Daughter of Darkness"

Woman, I can remember a woman
Warm were her kisses and tender was she
Lying there in my arms
Why, why did you deceive me so
What devil inside made you go ,when I needed you
most of all

Daughter of darkness Stay out of my life, my life
You took my heart, you broke it apart, Daughter of
darkness
Daughter of darkness Please leave me alone forever
Daughter of darkness gone is the love That we shared
together

Heaven, we had our own kind of heaven
Sharing together, the magic of love In a world of our
own
Then oh so suddenly you were gone
The love I depended upon disappeared when you went
away

Daughter of darkness stay out of my life, my life
You took my heart, you broke it apart Oh daughter of
darkness
Daughter of darkness leave me alone forever
Daughter of darkness gone is the love
That we shared together
