Tom Jones as sung on "The Tenth Anniversary Album"

I've been in love so many times  
Thought I knew the score  
But now you've treated me so wrong  
I can't take anymore  
And it looks like  
I'm never gonna fall in love again

Fall in love, I'm never gonna fall in love  
I mean it  
Fall in love again

All those things I heard about you  
I thought they were only lies  
But when I caught you in his arms  
I just broke down and cried  
And it looks like  
I'm never gonna fall in love again

Fall in love, no, I'm never gonna fall in love  
I mean it, I mean it  
Fall in love again

I gave my heart so easily  
I cast aside my pride  
But when you fell for someone else, baby  
I broke up all inside  
And it looks like  
I'm never gonna fall in love again

That's why I'm a-singin' it  
Fall in love, no, I'm never gonna fall in love  
Please don't make me Fall in love again
