You don't have to be beautiful
To turn me on
I just need your body baby
From Dusk till dawn
You don't need experience
To turn me on
You just leave it all up to me
I'll show you what it's all about

You don't have to be rich to be my girl
You don't have to be cool to rule my world
Ain't no particular sign I'm compatible with
I just want your extra time and your ~~Ã¢â¬~~. Kiss

You got to not talk dirty baby
If you wanna impress me
You can be too flirty mama
I know how to undress me
Let me be your fantasy
Maybe you could be mine
You just leave it all up to me
We can have a good time

I think I better dance now

Woman and girls rule my world
I say they rule my world
Act your age mama, not your shoe size
Maybe we could do the twirl
You don't have to watch Dynasty
To have an attitude
You gotta leave it all up to me
My love will be your food
